Avvo Rating Note

Please note that when you claim your Avvo Profile, we will automatically calculate a numerical Avvo Rating, which will appear on your profile page and in search results. You can view your calculated Avvo Rating as you update your profile, and your Avvo Rating may change as you add new data. A profile may not be unclaimed once it is claimed. ABOUT SSL CERTIFICATES

Why are we asking for your credit card?

It's important to Avvo that only you can edit your Avvo profile – and we're pretty sure you feel the same way. We run a check on your credit card in an attempt to prevent someone else from fraudulently claiming your profile. Your credit card will not be charged and Avvo does not receive any payment.
